Once your application is accepted, you will receive an email with more details including how to send your business information and photos for social media marketing.

Festival Hours are 11:30am-7:00pm with booth set-up beginning at 8:00 am.

Vendors with electricity are responsible for their own extension cord (longest run may be over 100ft).

Because this event is outside, we HIGHLY encourage a popup canopy. As we know, it can be hot and windy or cold and rainy in September! So, COME PREPARED and bring weights for that canopy!!
